

Blind Spots Keynote Introduction for Kevin McCarthy

If you have ever said, “**I never saw that coming**”, then you have already experienced... **Blind Spots!**

Kevin McCarthy is the **Best-Selling Author** of... ***BlindSpots – Why Good People Make Bad Choices.***

He has served as an executive at private and publicly-held companies and is currently the **CEO** of BlindSpots Global, helping leaders improve employee performance and productivity by **raising self-awareness and emotional intelligence.**” (slight pause)

Kevin is an award-winning, professional member of the **National Speakers Association**, and has served in numerous leadership roles at the state and national level.

At the pinnacle of his career in 1999, Kevin sold his tech company for a substantial sum during the craziness of the dot com era.

His *next* opportunity **blindsided** him with a **prison** sentence... he **didn't see coming.** (slight pause)

To help **you** uncover the blind spots that affect **your** performance and decision-making abilities, please help me **welcome to the stage... federal inmate number 32194 – 086... Kevin McCarthy.**
